Navy to answer your question. Depends on which state you're talking about or do you think every single Russian is a pro-killer. I never said Japan hates us in some ways, however, the event you're talking about had to do with some soldier (hope they gas him) raping some girl and they want the soldiers off that island. so yes that is a stone cold lie, Japan cannot close our bases legally.

Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.
