Solution Focused Therapy Training Dc

Building on a strengths perspective and using a time-limited approach, solution-focused brief therapy is a treatment model in social work practice that holds a person accountable for solutions rather than responsible for problems. Solution-focused brief therapy deliberately utilizes the language and symbols of "solution and strengths" in treatment and postulates that positive and long ...

When we talk about becoming a "peacebuilder," we don't mean becoming some kind of passive daydreamer. We are talking about empowering yourself to become an embodiment of the awakened presence of peace, a protector of the innocent, and a heart-based "warrior" of genuine love, truth and justice for one and all.. We all know world peace starts with inner peace.
