It was the kind of autumn afternoon where you can smell winter in the air, that scent that's part wood smoke and part the cold that makes the first necessary. Karl walked a few steps ahead of me, playing the guide, though there wasn't a corner of Low Town that I didn't know better than a toddler does his mother's teat.

Polansky definitely saved the best for last, while I liked Low Town and Tomorrow The Killing, I loved She Who Waits. The writing is a great deal better, it's dark and descriptive and surprisingly funny. I often found myself laughing out loud at the Warden's opinions on Low Town and it's, er, delightful inhabitants.

She Who Waits(5) By: Daniel Polansky. ... Low Town is a lot of things – the Empire’s dumping grounds, an open-air prison, the beating heart of the city. But it’s also my business, a broken-down engine that needs constant tinkering. Palms to grease, backs to stab. It takes a lot of energy, running in place.
