Seasons of the Moon Series, Books 1-4: Six Moon Summer ...

Six Moon Summer was originally planned to be a standalone novel rather than a series. I only wrote more when readers demanded a sequel. Though I published this book during the heat of Twilight mania, and it's been described as similar to Twilight, Six Moon Summer was actually inspired by a desire to have Christopher Pike books with more romance.

Six Moon Summer (Seasons of the Moon, #1) She's changing. And now she has three months to find a cure before becoming a werewolf... forever. Rylie Gresham hates everything about summer camp: the food, the fresh air, the dumb activities, and the other girls in her cabin. But the worst part is probably being bitten by a werewolf.

Most Helpful Customer Reviews. See, in Six Moon Summer, it takes a person who is transitioning into becoming a werewolf six moons to complete the entire transformation. The six moons refers to 3 full moons, and 3 new moons, so in all it equals around 3 months. I've never read a werewolf story where the transition is in this kind of process,...
