Ally Blue is one of my favorite authors, so when I saw that she was releasing a horror novel, I was thrilled. Until I found out where it takes place. The bottom of the ocean. So therein lies my dilemma. I love Ally Blue so much I purchase her ebooks, read them, love them, and then as soon as that book is available in paperback, I buy the paperback.

Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual---because 'this ...
