Trajan was most conspicuous for his justice, for his bravery, and for the simplicity of his habits. He was strong in body, being in his forty-second year when he began to rule, so that in every enterprise he toiled almost as much as the others; and his mental powers were at their highest, so that he had neither the recklessness of youth nor the sluggishness of old age.

The situation is even more damning for Black Lives Matter terrorists when actual statistics are used. Just as blacks in a nearly 30-year period committed over half of all homicides, being just 13% of the population, blacks have more negative interactions with the police. Disproportionate numbers of black police shootings, relative to the total African-American population, only occur because ...

Piecing together Vivian Maier's life can easily evoke Churchill's famous quote about the vast land of Tsars and commissars that lay to the east. A person who fit the stereotypical European sensibilities of an independent liberated woman, accent and all, yet born in New York City. Someone who was intensely guarded and private, Vivian could be counted on to feistily preach her own very ...
