Sno Ho. Boone Daniels seems to have trouble finishing things. Along with the half dozen or so novels he's started, only to abandon mid-way through, his love life could be best described as a series of drive-bys. Boone has spent the past week staying at a ski lodge in the tiny mountain town of Summit City.

Sno Ho (2010) About book: This book didn't do it for me.I found Boone's character quite annoying - he's bitchy and snarky and says exactly what's on his mind all the time and it just got irritating. Wade's character also felt a little flat as well, possibly because we were just seeing him from Boone's point of view.That said, the dynamic between the two of them felt real and I could see why ...

Sno Ho started as a short story in the anthology Melting the Slopes back in 2009. It was so wildly popular with fans that Mr. Day wrote Life Infusion, a novel-length sequel in 2010 and published Sno Ho as a novella. There is also a lovely epilogue of sorts in Summit City #2.5: A Summit City Christmas that was published in 2011.
