Capitalism is an economic system based on the private ownership of the means of production and their operation for profit. Characteristics central to capitalism include private property, capital accumulation, wage labor, voluntary exchange, a price system, and competitive markets. In a capitalist market economy, decision-making and investment are determined by every owner of wealth, property ...

Capitalism - Wikipedia

Trade involves the transfer of goods or services from one person or entity to another, often in exchange for money. A system or network that allows trade is called a market.. An early form of trade, barter, saw the direct exchange of goods and services for other goods and services. [need quotation to verify] Barter involves trading things without the use of money.
