Guerrillero Heroico (English: "Heroic Guerrilla Fighter") is an iconic photograph of Marxist revolutionary Che Guevara taken by Alberto Korda. It was captured on March 5, 1960, in Havana, Cuba, at a memorial service for victims of the La Coubre explosion. By the end of the 1960s, the image, in conjunction with Guevara's subsequent actions and eventual execution, helped solidify the charismatic ...

Botanical Latin Pronunciation Guide. This guide is the cumulative result of the guides I prepared for Horticulture magazine between 2002 and 2008, which is why some genera are richly represented and others aren't. In general, the recommended pronunciations accord with older references that I have found to be both consistent and reliable, rather than with current popular usage, which is often ...

Chapter 3. What the apostle says of another of the prophets is true of this, who was also his contemporary—"Esaias is very bold," Rom. 10:20. So, in this chapter, Micah is very bold in reproving and threatening the great men that were the ringleaders in sin; and he gives the reason why he was so bold, because he had commission and instruction from God to say what he said, and was carried ...
