Progress Through Innovation. From conception nearly two decades ago, Staxi has risen to create new levels of quality in both products and service.

### **Staxi | Progress Through Innovation**

Transport or transportation is the movement of humans, animals and goods from one location to another. In other words the action of transport is defined as a particular movement of an organism or thing from a point A to the Point B. Modes of transport include air, land (rail and road), water, cable, pipeline and space. The field can be divided into infrastructure, vehicles and operations.
