Solution Focused Brief Therapy Summary

Solution-focused (brief) therapy (SFBT) is a goal-directed collaborative approach to psychotherapeutic change that is conducted through direct observation of clients' responses to a series of precisely constructed questions. Based upon social constructionist thinking and Wittgensteinian philosophy, SFBT focuses on addressing what clients want to achieve without exploring the history and ...

About This Program. Target Population: Parents who have had their children removed from their custody and into foster care by Child Welfare Services (CWS), have been referred by CWS for substance use and mental health treatment, and have a case plan goal of family reunification Program Overview. Solution-Focused Brief Therapy (SFBT) is a therapy model that asserts the importance of building on ...

CEBC » Program > Solution Focused Brief Therapy Sfbt

Building on a strengths perspective and using a time-limited approach, solution-focused brief therapy is a treatment model in social work practice that holds a person accountable for solutions rather than responsible for problems. Solution-focused brief therapy deliberately utilizes the language and symbols of "solution and strengths" in treatment and postulates that positive and long ...

Solution Focused Therapy or Brief Therapy (link to Solution-Focused Brief Therapy: Its Effective Use in Agency Settings By Teri Pichot, Yvonne M. Dolan) focuses on what clients want to achieve through therapy, rather than on the problem(s) that made them seek help. The approach does not focus on the past, but instead focuses on the present and future.

Solution Focused - Basic Counseling Skills

Family therapy, also referred to as couple and family therapy, marriage and family therapy, family systems therapy, and family counseling, is a branch of psychotherapy that works with families and couples in intimate relationships to nurture change and development. It tends to view change in terms of the systems of interaction between family members. It emphasizes family relationships as an ...
