The global directional drilling services market has taken a big hit during this downturn. In terms of market value, directional drilling fell from \$16.55 billion in 2014 to \$10.95 billion in 2015, then shrank further in 2016 to just \$6.71 billion. Most of these reductions were brought about by project cancellations in the low oil price environment, according to Rajashekar Lokam, Research ...
