Put Your Oxygen Mask Back On. When you lose someone close you to, it can often feel like someone has physically stolen your ability to breathe, eat, sleep -- to go on. Grief comes in many forms, but the universal effect is that a piece of you is missing. Something has changed and getting back on your feet often just doesn't...

In Second Firsts, Rasmussen walks readers through a proven process that helps them break the spiral of pain and create a safe space for their post-grief life to enter. Her method, which she has used successfully online and offline with thousands of clients, is based on the science of neuroplasticity and focuses on consciously releasing pain in ways that both honour suffering and rewire the brain to experience the world in a new way.

My book Second Firsts: Live, Laugh and Love Again talks about finding a way back to living again. Change has to be a simple experience after loss. Anything too overwhelming and the mind would shut it down. Here are 10 steps I learned to initiate new life after loss: 1. Start listening to your grief and write down everything she tells you.

Unfortunately for your situation - the loss realized from the sale of the personal property may not be used to offset other taxable income. Generally, property held for personal use is a capital asset. Gain from a sale or exchange of that property is a capital gain. Loss from the sale or exchange of that property is not deductible.
