Our Training Projects Template Pack helps you manage training program design, development and delivery through all phases of your training project.

### **Training Program Design Template Guide Sample**

The same template is intended to be used for both high-level design and low-level design. The design document used for high-level design is a "living document" in that it gradually evolves to include low-level design details (although perhaps the "Detailed Design" section may not yet be appropriate at the high-level design phase).
