Self Portrait Man Ray

The very concept of Dadaism had always seemed mysterious to me until Man Ray discussed it in a couple of places in his Self Portrait. He wrote "Dada has accomplished its purpose of mocking the artistic and political futility of the day, offsetting it with irrationality and the destruction of all accepted values.

Self-Portrait (Penguin Modern Classics): Man Ray ...

I don't give that many books five stars, but I thoroughly enjoyed this one, so there you have it. I liked Man Ray and his Art before reading his autobiography, but I like him even more now. This self-portrait reads like a diary, a travel journal, and gossip column all in one.

Space Writing (Self-Portrait), 1935 by Man Ray Click Image to view detail. This photograph is surprising because of its diminutive size, which is more suggestive of a wallet photo than a photograph displayed in a museum. The photograph's size makes it seem unassuming next to larger works, despite being taken by such a revered artist.
