Decisions are the heart of success and at times there are critical moments when they can be difficult, perplexing and nerve racking. This side provides useful and practical guidance for making efficient and effective decisions in both public and private life.

Overcoming Serious Indecisiveness

1. Introduction. For several millennia, humans' primary method for social learning and communication has been face to face. In the 21st century, as mobile technology and the Internet became available to most of the world's population (Internet world stats, 2013), digital media have become an increasingly prevalent factor in the informal learning environment (Greenfield, 2009).
