Free Standardized Tests Flashcards about Smith System

All lines with numbers are right. I'm guessing they give bikers different explanations than truckers. For a trucker, #1 means, for example, if you have a curve to the right, hug the left side of your lane so the back of your truck won't cross the center line. #2 means to scan for hazards from your sight horizon back to you. #3 is pretty well right, while scanning your sight horizon, add in ...
