S. is by far the most intricate novel I have read in the past few years. Even the monumental work of James Joyce in *Ulysses* cannot quite compare to the full flavour and power of the metafiction and post-modern styling of Doug Dorst's work (inspired by the ideas of J.J. Abrams). Certainly it is a major call to state that a modern work of this ...

S. by J.J. Abrams - Goodreads

S. is a 2013 novel written by Doug Dorst and conceived by J. J. Abrams. The novel is unusual in its format, presented as a story within a story. It is composed of the novel *Ship of Theseus* by a fictional author, and hand-written notes filling the book's margins as a dialogue between two college students hoping to uncover the author's mysterious identity and the novel's secret plus loose ...
