Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.

Friends of Haleakala National Park, a Hawaii non-profit corporation, is established to support educational, cultural, research, and service activities relating to the park and its ecosystems.

Friends of Haleakala National Park - Home

Growing up as a child in rural New Zealand, I remember the community social events that would sometimes be held at the local district hall. On one evening, if I recall correctly, the event being held was a quiz night modelled after then-popular game show It's in the Bag. For those unfamiliar with this long-running institution, contestants on the show who successfully answered a series of ...

A Little Background - Our company's agricultural roots here in the United States date back to the mid-1620s. Our direct lineage, although often working another trade, has always lived on farms. The farm on which we currently operate was established by our founders Great-grandfather in 1909. For decades our family farmed and sold our goods and services into our local community before we ...
