The year 2002 could probably be described as "the best of times, and the worst of times." On one level, Korean cinema continued its breathtaking run of popularity with local audiences, winning over a 45.2% market share in Seoul, only slightly lower than the 46.1% recorded in 2001 (market share in Korea as a whole was likely higher, but harder to measure).

A fascinating director whose reputation seems to grow every year, Spanish-born José Ramón Larraz first made his mark with a string of perverse shockers made in England interspersed with the occasional, more obscure gig back in his native country. His debut feature, Whirlpool, was picked up for American distribution by Jerry Gross and given an early X rating (easily in R-rated territory now ...

The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

Aliens are depicted as eusocial life-forms with a defined caste system which is ruled by a queen. Their life cycle comprises several distinct stages: they begin their lives as an egg, which hatches a parasitic larval form known as a facehugger, which then attaches itself to a living host by latching onto its face. The facehugger then "impregnates" the host with an embryo known as a ...
