Refund & Rain Policy. What if it rains? Should I still come out? 2Fast schools and track days operate rain or shine, and we don't mind if it rains one bit. You shouldn't mind either, if learning how to ride better is your goal. Students and track day riders who have ridden with us on rain days tell us the same thing time and time again: they learned so much more than they thought they would!

The High Roller (also known as the Let it Ride High Roller), was a steel roller coaster constructed on top of a building 909 feet (277 m) over the Las Vegas Strip. It was the highest roller coaster in the world when compared to the surrounding terrain. It was located on top of the Stratosphere Tower, Las Vegas, Nevada, which is the tallest free-standing observation tower in the United States.
