September Hope : The American Side of a Bridge Too Far by ...

One ray of hope is that as interest in side-by-sides levels off, so will the prices of the thousands of American-made guns that are out there. They are not all priceless collectors' items, and most have years of great shooting left in them, if only someone would take them out and put them to the use for which they were intended.

The Rise and Fall of the American Side-by-Side Shotgun ...

Re: Looking for an AMERICAN MADE side by side. few current production models out there, but savage fox model B were made until recently, and older stavens guns are nice (325 and 335 series). i just picked up a much carried 335 for an even hundred at a gun auction and am considering refinishing it.

Looking for an AMERICAN MADE side by side. - PAFOA

Niagara Falls is one of those destinations that children in the United States learn about in school. But which side is better? When considering Niagara Falls' American side vs. Canadian side, there are a few key things to consider which will ultimately help you plan your visit.

Niagara Falls: American vs Canadian side

The American Side. The American side might not have the panoramic views that Canada has, but it lets you get super close to the water. There is one big observation deck which you can enter for free and where you get the best vistas of a big part of the falls.
