Under the European Patent Convention (EPC), European patents shall be granted for inventions which inter alia involve an inventive step. The central legal provision explaining what this means, i.e. the central legal provision relating to the inventive step under the EPC, is Article 56 EPC. That is, an invention, having regard to the state of the art, must not be obvious to a person skilled in ...

Inventive step under the European Patent Convention ...

Inventive step in Europe Article 56 EPC: An invention shall be considered as involving an inventive step if, having regard to the state of the art, it is not obvious to a person skilled in the art. The criterion is clear, its application far from it.

INVENTIVE STEP IN EUROPE - AIPPI

Some evaluators envision evaluation as a catalyst for learning in the workplace (Preskill & Torres, 1999). Thus, evaluation can be viewed as a social activity in which evaluation issues are constructed by and acted on by organization members. This approach views evaluation as ongoing and integrated into all work practices.

Evaluation Models, Approaches, and Designs

Description. For courses in Networking/Communications. Motivate your students with a top-down, layered approach to computer networking. Unique among computer networking texts, the Seventh Edition of the popular Computer Networking: A Top Down Approach builds on the author's long tradition of teaching this complex subject through a layered approach in a "top-down manner."
