Snap Alison McGhee review by Lynn Beckwith. ... So wonders Eddie, the female narrator of this spare, thoughtful first novel by Alison McGhee. Eddie and Sally Hobart are best friends, spending time during the summer between sixth and seventh grade at each other's houses in the foothills of the Adirondack Mountains. Eddie is a girl of lists.

Snap by Alison McGhee - Review | BookPage | BookPage

Desperate to create some order in her world, Eddie makes lists obsessively and wears a rainbow of rubber bands on her wrists to remind her of the important things in life. With each snap of one of the bands, the pain helps her to chew her food, laugh out loud, and remain brave even when she is fearful. Unfortunately, when she learns that her best friend's grandmother is terminally ill, she's ...
