The Day After is an American television film that first aired on November 20, 1983 (coincidentally just a few days after NATO's command post exercise Able Archer 83), on the ABC television network. More than 100 million people, in nearly 39 million households, watched the program during its initial broadcast. With a 46 rating and a 62% share of the viewing audience during its initial broadcast ...

With Draco and Hermione reunited, they must deal with the repercussions of their separation and the effects it's had on them both. They also have to start dealing with their plans for the future, which includes plotting revenge on the Order, and making a final decision on whether or not they'll be standing with Voldemort.
