Solution Center Msi Missing

Downvoted, as you make zero mention of WHAT TO DO with this tool. Also, this tool seems kind of stupid. If you click "Install" (Which purports to help you tring to install something), it appears to show a list of already installed programs. Not sure how useful that is if the problem is that you cannot install it.

c++ - Missing vc_runtimeminimum_x86.msi and installation ...

Bring the Product to the authorized service center for maintenance. If your product has been determined by the MSI engineer or store as problematic or defective in hardware, and may incur the need for replacement of parts, you may bring the Product for repair along with the warranty card, purchase invoice or receipt to the MSI-authorized service center closest to your location for assistance ...
